

**Riparian Data Management Standards
Advisory Team Meeting
September 12, 2000
Davis, California**

This is an announcement for the initial meeting of the Riparian Data Standards Advisory Team. Your attendance is important since this may be one of the few face-to-face gatherings for this team, most communications will be via conference call and e-mail. This meeting will be hosted by the Information Center for the Environment, University of California, Davis (UCD). This group is on the cutting edge of resource information display and analysis utilizing web based systems, and is our Co-Leader for the project.

Purpose: (1) Review and refine project objectives, deliverables, timeline; (2) identify and discuss existing data management frameworks; (3) discuss advisory team roles and responsibilities; and (4) review concurrent UCD resource information projects.

Time and Place: The meeting will begin on Tuesday, September 12th at 8 a.m., and adjourn about 4 p.m. A map of campus and directions to the meeting place, 3201 Hart Hall, will be sent to you later along with an agenda.

Travel arrangements & expenses: We have reserved funding to cover the cost of your travel expenses, including airfare, per diem and lodging. You will need to submit a Federal travel voucher with receipts for reimbursement. The Sacramento airport is located approximately 15 miles northeast of Davis.

Lodging is available now, but no reservations have been made. Please make your own reservations soon. Two motels near campus are the University Park Inn (530) 756-0910, \$75-UCD room rate; and Aggie Inn 530-756-0352, \$77-UC D room rate.

RSVP: Please RSVP by August 11 to Josh Viers, jhviers@ucdavis.edu, 530-756-6051.
